A man with a beard, wearing a dark suit, light blue shirt, and patterned tie, is sitting in the driver's seat of a car. He is talking on a mobile phone held to his ear with his left hand and writing in a notebook with a pen in his right hand. The car's interior is visible, including the leather seat and window. The background shows a blurred view of a building through the window.

About Drive Luxury

Our story began in 2015 when the founders realized that there was an increasing demand for high-end and business-class vehicles with chauffeur and self-drive in Europe.

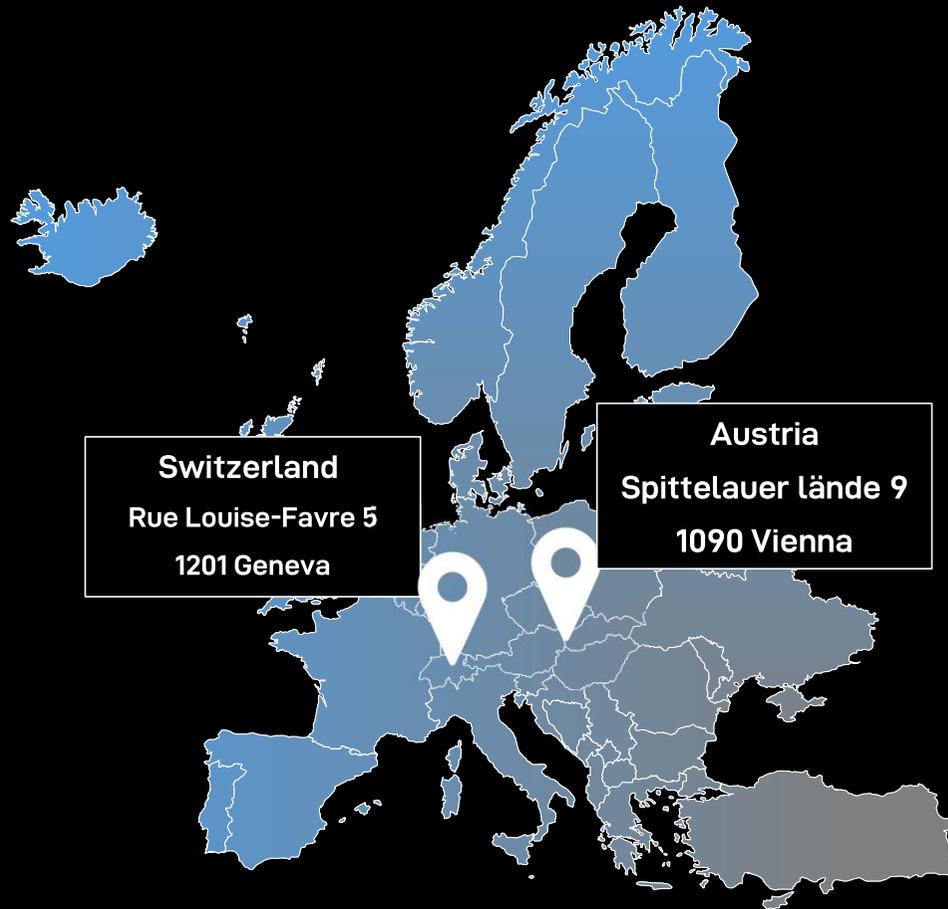

Today we have the privilege of serving hundreds of satisfied customers every month through our offices in Geneva and Vienna.

To meet the growing number of requests from our regular and new customers, we have built strong partnership networks that uphold our values across Europe.

Our Services

✓ **Transfer Service:**

By booking an airport or a train station transfer, you will receive a warm welcome at the arrival area by our chauffeur and be accompanied to your vehicle.

✓ **Chauffeur Service:**

At your request, we offer hourly and daily chauffeur services. If you are traveling for business or pleasure and need a chauffeur to show you around, our multilingual chauffeurs are at your service.

✓ **Rent a Car:**

By renting our vehicles, you will receive a model of your choosing and, if you wish, the car can be delivered and picked up at your preferred location. Additionally, we offer a range of comprehensive insurance policies.

✓ **Event Transportation:**

Whether you are an organizer or attending an event, we take care of all your transportation needs.

Our experienced chauffeurs receive a detailed briefing before each service, thus ensuring a smooth process. They will make you feel safe and secure.
